On August 11, 2022, Mitek Systems, Inc. (the “Company”) received a notice (the “Notice”) from the Listing Qualifications Department of The Nasdaq Stock Market LLC (“Nasdaq”) advising the Company that it was not in compliance with Nasdaq’s continued listing requirements under the Nasdaq Listing Rule 5250(c)(1) (the “Rule”) as a result of its failure to file its Quarterly Report on Form 10-Q for the quarter ended June 30, 2022 (the “Form 10-Q”) in a timely manner. The Rule requires listed companies to timely file all required periodic reports with the Securities and Exchange Commission (the “SEC”). The Company previously reported in its Form 12b-25 filed with the SEC on August 10, 2022 that the Company was unable to file its Form 10-Q within the prescribed time period without unreasonable effort or expense.

Under Nasdaq rules, the Company has 60 calendar days from receipt of the Notice or until October 10, 2022, to submit a plan to regain compliance with the Rule. If Nasdaq accepts the Company’s plan, then Nasdaq may grant an exception of up to 180 calendar days from the due date of the Form 10-Q, or until February 6, 2023, to regain compliance.

In response to the Notice, the Company intends to file the Form 10-Q as promptly as possible in order to regain compliance with the Rule. However, if the Company does not submit the Form 10-Q by October 10, 2022, the Company will submit a plan by such date to Nasdaq that outlines, as definitively as possible, the steps the Company will take to promptly file the Form 10-Q.

Statements contained herein relating to the Company or its management’s intentions, hopes, beliefs, expectations or predictions of the future, including, but not limited to, statements relating to the filing of the Form 10-Q and the Company’s ability to regain compliance with the Nasdaq continued listing standards constitute forward looking statements. Such forward-looking statements are subject to a number of risks and uncertainties, including, but not limited to, risks related to the Company’s ability to file the Form 10-Q and the Company’s ability to regain compliance with the Nasdaq continued listing standards.

Additional risks and uncertainties faced by the Company are contained from time to time in the Company’s filings with the U.S. Securities and Exchange Commission (SEC), including, but not limited to, the Company’s Annual Report on Form 10-K for the fiscal year ended September 30, 2021, as filed with the SEC on December 13, 2021 and its quarterly reports on Form 10-Q and current reports on Form 8-K, which you may obtain for free on the SEC’s website at www.sec.gov. Collectively, these risks and uncertainties could cause the Company’s actual results to differ materially from those projected in its forward-looking statements and you are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof.
